Rationale

Nagle College was established by the Catholic community of East Gippsland to provide Catholic secondary education for boys and girls of the Bairnsdale and surrounding districts. Whilst Nagle College is a Catholic school, it embraces all students and their families who are committed to living out the values espoused in the Gospel of Jesus Christ and who make a commitment to respect the Catholic philosophy of the College.

Enrolment Policy

Nagle College aims to offer a place to any student who seeks enrolment and is prepared to commit themselves to respecting the Catholic nature of the school and its educational goals.

Nagle College welcomes all applications and interviews all applicants. When the number of applications exceeds the number of places that can be made available, preference in enrolment will always be given to Catholic students, followed by students from the non-Catholic Oriental Church and Orthodox traditions.

All other students are considered with the following criteria as guides:

- Siblings of students who have attended the College
- Students of Old Collegians
- Students of other Christian faiths
- Primary School they attend.

The Principal has the ultimate discretion in determining all offers of enrolment.

No Catholic students will be excluded because of their parents’ inability to pay tuition fees, with consideration also given to all students with regard this matter. Parents who believe they may be unable to pay the fees in full have an obligation to discuss this with the College’s Business Manager when applying for enrolment, if it is known at that time, and at any other time after enrolment if such a situation arises.

Some level of fee alleviation is available in all genuine cases.
