

We'd love to know:

Thinking back on your time at Nagle, how did your experience equip you for life after school? Did anything you learned really 'stick with you'?

What is your fondest memory of Nagle College?

Which teacher influenced you the most, and why?

What is your greatest achievement since leaving Nagle?

Do you have any words of wisdom for current students?

List one thing you hope has changed or hasn't changed since you were at Nagle.

What years (inclusive) did you attend Nagle?

Which House were you?

Did you pursue further education? Where? Which subject?
