

## Just Dance Now instructions

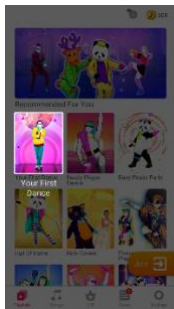

1. Download the Just Dance Now app.

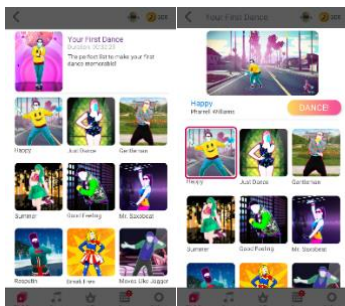

2. Set up the app.

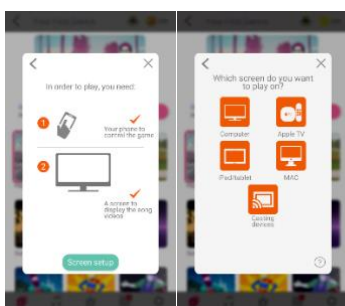

3. Click on your first dance:

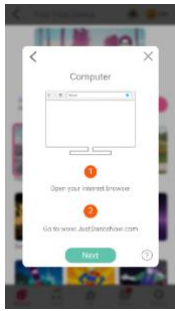

4. Select any dance, then click dance.

5. Select screen setup, then pick computer.

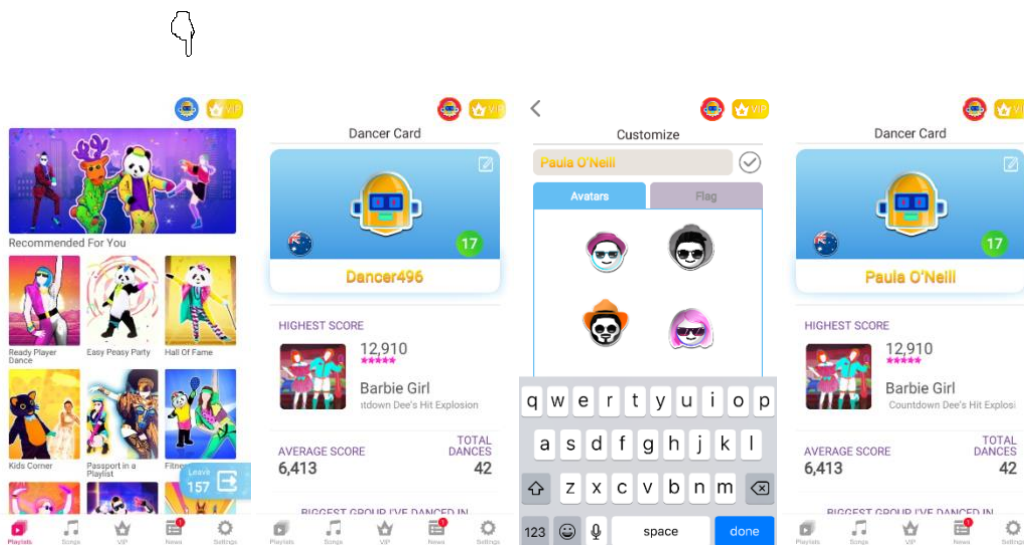

- Click next. You do not need to open internet browser or go to justdancenow.com on the day...I will share my screen with you in google meet.

- Enter the room number I give you in the google meet.

- While you are waiting for the dance to start, click on the character at the top of the screen and then click on the pencil at the top to change the name to your name.

**PLEASE NOTE THERE IS NO NEED TO PURCHASE THE VIP FEATURE FOR THE HOUSE DANCE COMPETITION.**
