**Season of Advent**

As we move towards Christmas we recognise such an important occasion with the season of Advent. We are called upon to prepare for the celebration of the birth of the Messiah rather than just recognise the day itself.

**Coping Strategies**

When people are under most pressure is the time when they need our consideration most of all. Often the issue for parents and teachers is how to assist young people develop independence and resilience in order to cope with the demands life makes of them. Generally we need to find middle ground between indulging our children and toughening them up so they do not collapse in the face of every difficulty. Some considerations from the ‘ancients’ have wisdom to offer:

- Have high expectations – Spartans trained children to eat up their food and not to be fussy about it, not to be frightened of the dark or of being left alone.
- Model self-control – when anger takes over your heart, guard against your babbling tongue. (Sappho)
- Don’t fight your children’s battles – children need to fail. They need to feel sad, anxious and angry ... strong emotions such as anxiety, anger and depression exist for a purpose: they galvanise you into action to change yourself or your world, and by doing so terminate the negative emotion ... when we impulsively protect our children from failure, we deprive them of learning skills of persistence. (Seligman)
- “No” is a loving word. If a child has always been given everything, if the parent always comforts him when he cries, if his minder always lets him do what he wants, then he will never be able to cope with anything unpleasant in life. (Seneca)

When it comes to parenting there are no right or wrong answers but there are probably better and worse ideas.

**Class of 2014**

On November 21 we celebrated with the Year 12 VCE and VCAI students and their families at the traditional Valedictory Dinner. The evening is a celebration of many milestones and achievements, including the end of secondary education and education at Nagle College. We took the opportunity to thank all the students for what they have contributed to their College over the time they have been here.

The College Captains, Eilysh Websdale and Andy Bain, gave their final address which included presenting the College with the traditional Graduating Class gift. The gift is a 40cm high statue of St John Bosco and two students, and recognises the bicentennial of his birth in 2015. We wish all these students well as they move into the next phase of their life and hope those waiting on their final results achieve at the level they desire.

**Bishop Coffey (RIP)**

We were saddened to hear of the death of retired Bishop Jeremiah Coffey on Wednesday 19 November. Bishop Coffey was born in Ireland in 1933. He was ordained in 1958 and arrived in Sale in the same year. He was installed as Bishop in 1989 and retired from this position in 2008. He will long be remembered as a wonderful shepherd to his flock and a great supporter of Catholic Education in our Diocese.

**Promotion**

As I write, our students are fully immersed in their studies as they have moved into the next year level and commenced their 2015 courses. This has proven to be an energizing way to end the year which makes the most of their learning opportunities.

May the Christmas season be one of peace and joy and we look forward to new opportunities in 2015.

**Have Yourself A Merry Little Christmas**

Music composed by Hugh Martin, Lyrics by Ralph Blane

Have yourself a merry little Christmas,
Let your heart be light
From now on,
our troubles will be out of sight

Have yourself a merry little Christmas,
Make the Yule tide gay,
From now on,
our troubles will be miles away.

Here we are as in olden days,
Happy golden days of yore.
Faithful friends who are dear to us,
Gather near to us once more.

Through the years
We all will be together,
If the Fates allow
Hang a shining star upon the highest bough. And have yourself a merry little Christmas now.
Commitment Mass

Our Commitment Mass topped off a wonderful year for our Year 12 students. There was much laughter, joy and a few tears as they celebrated this important rite of passage with their families, friends and the Nagle College Community.

The Year 12 motto for the year - “Every step we take, we take together” - brings to mind the need for all of us to work together. The goal for the Year 12 students was to successfully complete their VCE studies and Year 12 competencies, but walking together means more than this. It is about overcoming differences, being patient and tolerant with one another, and giving each other the opportunity to shine.

The 2014 Year 12 students should be proud of their individual achievements and their collective living of our Nagle motto ‘Let Your Light Shine’. They truly worked together and were an inspiration of unity for the whole Nagle College Community. We wish them every success for the future.

Year 9 Gathering

In September the Year 9 students attended the annual Year 9 Gathering of students across the Diocese. The Year 9s were led by the Year 11 students and celebrated living the Joy of the Gospel. They made friendships with students from Cranbourne, Warragul, Traralgon and Sale. The groups celebrated a special liturgy at St Mary’s Cathedral in Sale, and every student was gifted a special cross from Sr Rose Duffy that had been brought from Rome and blessed by Pope Francis. The students were both awed and happy to receive such a special gift [pictured here].

The photos below show some of the activities from the Year 9 Gathering held in Sale in September.

And All That Jazz

Year 12 student, David Long, is heading to Mount Gambier to pursue his dreams to study Jazz music. David has been offered a position for 2015, as a drummer, at the new James Morrison Academy of Music (JM Academy) based in Mount Gambier. The JM Academy is affiliated with University of South Australia. The intake for this year is capped at 70 musicians including Australian and International students.

Whilst James is not one of the core weekly teaching staff, it is his Academy and he will be teaching all students during each semester. In addition to this, James has co-designed the curriculum with Graeme Lyall to reflect his philosophy of learning music. Accepted students are told to expect an exciting, vibrant environment with the emphasis on ‘playing’ jazz. David will be heading off to Mount Gambier in February to step into the amazing world of Jazz education and aiming for a future career in the industry.

David would like to thank his many music teachers over the years and appreciates the learning and performance opportunities that the Nagle Music program has encouraged him to pursue. His teachers include Lynette Biggs (Piano), Duncan Clark (Guitar), John Rogers (Guitar, Bass Guitar), Maureen Plunkett (Trumpet), Andrew Long (Drums), and Ron Sandilands (Drums).
State Champions!

Our Year 9-10 Girls Cricket team won their final and are now the State Champions! They defeated Crusoe College from Bendigo by just two runs in an exciting match to claim the title.

In earlier matches in the lead up to the State Finals, the Nagle girls recorded victories over South Gippsland Secondary College to win the Gippsland region and then McKinnon Secondary College in the State Quarter Finals. The four State Quarter Final winners then competed on the Finals day, with each team playing in a semi final game, with the winning teams progressing through to the Final.

Nagle had to play Western Heights College in their Semi Final. Nagle restricted them to just 57 runs off their 20 overs. The bowlers did a great job with Chelsea Ryan and Sophie Molineux sharing the bowling honours with three wickets each. In response, Nagle reached the required total in just six overs without losing a wicket. Lydia Overend scored 17 and Sophie Molineux scored 38 to ensure the Nagle win.

In the Final against Crusoe College, Nagle batted first and although Sophie made 27 runs, her other team members struggled to reach double figures. Nagle was dismissed in 16 overs for just 68 runs. Crusoe had a full 20 overs then to reach the required total but fell two runs short in the final over in a real nail biter. The Nagle bowlers did a great job with Whitney McCormack taking 4 wickets for 19 runs. Nagle’s fielders were also on fire, affecting two run outs and restricting the Crusoe run chase as they edged towards Nagle’s total. Crusoe’s innings came to an end in the last over with Sophie Molineux dismissing their last batswoman with just four balls remaining.

Naturally the girls were ecstatic with their effort and edge of the seat victory. This was a great achievement for the Nagle team and Captain, Sophie Molineux. Other team members included Chloe Molineux, Chelsea Ryan, Maddi Bowden, Holly Bowden, Cara Plant, Lydia Overend, Meg Bryan, Whitney McCormack, Abbey Alvin, Rebecca Adams, and Maddy McCarry. The team was also coached by Miss Emily Bourke.

Table Tennis Success

Nagle Year 9-10 Boys Table Tennis team reached the School Sport Victoria State Finals in Melbourne after winning their East Gippsland and Gippsland competitions earlier in the year. Played at the MSAC facility at Albert Park, the Finals day involved the eight Regional winning teams from around the State, and featured several highly ranked players.

Nagle’s Josh Street won all his matches, but unfortunately we lost all our team games against the other schools in our pool. The Melbourne High School team proved too strong and went on to win the grand final. Other boys in the team [pictured below] included Jarryd Stanton, James Wigg, Nathan Hay, Perry Hill and Patrick Deery.

Touch Football

The Nagle College Touch Football team has had a very successful year in the Sale and District Touch competition. Through the inclusion of a number of new student and staff players the team has had great success on the field. This culminated in the Sale and District competition playing a full round of touch at Nagle College on Wednesday 5 November. This was the first time in 25 years as part of the Sale competition that a round has been played away from Sale. In the match on that evening Nagle comfortably beat Gippsland Grammar 10 tries to 2.

Nagle played in the Grand Final of the A Grade competition, going down to Panthers 6 to 4 in an exciting and explosive game. Kyle Grummisch took out the Most Try Scorer Award for the Sale and District Touch competition, and Oscar Crunden-Smith was equal winner of the Best and Fairest Award. Congratulations to all members of the Nagle Team on a successful season. Team members pictured above are [back row, L-R] Emily Bourke, Nikaela Hubbard, Jack Neal, Ben Crunden-Smith, Bryan Smith and Connor McLean; [front row, L-R] Timmy Sank, Chas Newcomen, Kyle Grummisch, and Oscar Crunden-Smith. Photos below show some of the action of the games conducted at Nagle College.
Hockey State Finalists

Nagle had two teams in the State Finals played at the Footscray Hockey Centre this term. Both teams had won the Gippsland Championship played in Drouin earlier this year. The final eight teams played in the Finals. The Year 9-10 Boys team (pictured at top right) drew their first game with Balwyn Secondary College and then defeated Wangaratta Secondary College. Nagle had to win their final pool game to progress through to the Grand Final. Unfortunately Frankston High School proved too strong winning 1-0. Frankston went on to win the grand final game.

The Year 8 Boys team (pictured at right) struggled against the other teams in their pool. Unfortunately they missed the first game against Mount Waverley, and then lost to Notre Dame College, Shepparton and McKinnon Secondary College teams. McKinnon defeated Nagle 2-0 and then went on to play in the grand final game.

State Athletics

W e had 14 athletes compete in the State Carnival at the Lakeside Stadium in Melbourne. Up against some of the best athletes in Victoria, many of our athletes produced personal best performances. Bethany Myers broke the Nagle record in her 400m run and finished an impressive fourth in her 200m event. Another busy athlete on the day was Ryan Pedretti who ran in the 400m and 200m events on the track as well as finishing just outside the medal places in his shot put.

The boys 16 years relay team also ran well to finish fifth. Runners in this relay included Corey Timms, Alex Duffy, Sam Parwata and Riley Simpson. Other students that competed on the day included Robert Broadbent, Jordan Cullen, Zoe Carr, Brodie Pedretti, Nakia Orchard, Isabella McArthur, and Leisel Nunn. Australian pole vaulter Steve Hooker provided a great opportunity for some of the Nagle athletes to get their photo taken with an elite athlete.

Golf Finalists

A fter Nagle won the Gippsland Golf Teams Championship in Traralgon earlier in the year, Jesse Turner, Daniel Churches and Corey Hardy qualified to play in the State Finals in Lilydale this term. Daniel hit an impressive 82 off the stick, and the Nagle team finished third overall to pick up the bronze medal.

Mountain Biking

Nagle had five riders compete in the East Gippsland Secondary Schools Mountain Bike Championships conducted at Mallacoota this term. Liam Nicholls won the over 15 years event and Tom Fisher took out the under 15 years event. Other Nagle riders included Adam Cheesley, Zac Rettino and Keegan Holland.
At 11:00 am on the 11th day of the 11th month we stop to remember the signing of the armistice that ended World War I. Ninety-six years later, the Bairnsdale community gathered at the Nagle College ANZAC Memorial to commemorate that day and to remember those who have given the ultimate sacrifice in armed combat since that time.

This year’s Remembrance Day Service was a public event organised in conjunction with the Bairnsdale RSL and Nagle College. We were welcomed to Country by Patrick Alexander before Mr Neville Powles gave an opening address. Mr Martin Boyle, President of the Bairnsdale RSL, was the MC for the occasion and he also gave a brief opening speech. Steven Haworth of the Salvation Army led us in the opening prayer. Members of the congregation were then invited to lay a wreath on behalf of their group or organisation. Our 2015 College Captains, Natalie Young and Kurtis Geier, together with Mr Powles, lay the wreath on behalf of the College Community. Representatives from each of the seven Houses also placed a small bouquet of flowers at the cenotaph.

At 11:00 am a silent tribute was held which was followed by the playing of the Last Post by Mr Graham Hall. Natalie and Kurtis then delivered the Remembrance Day Address, followed by Year 9 student, Lauren Grassby who presented the Remembrance Day Reading. Emily Buurman, accompanied by Bailey Websdale, Holly Stephenson, Sammy Graham, Naomi Johnson and Mrs Andrea Savage, sang the National Anthem.

The service concluded with closing remarks from Mr Boyle. As the guests were beginning to move on, Naomi Johnson gave a very moving solo performance of ‘Tears in Heaven’.

P 8 NAGLE NEWS
Year 8 students took part in a Medieval Day held at the College on Friday 17 October. The students were encouraged to come dressed as a character from the medieval times and the results were amazing. There were knights, ladies, priests, monks, farmers, beggars, Roman legionaries and we even had William Wallace make an appearance!

Throughout the day the students rotated through a series of sessions with medieval experts. The sessions were: Knight School; Armour Through the Ages; Medieval Technology/Archery; and Village Life - Crime and Punishment - the Black Death. Each session provided opportunities to have hands-on experiences with weaponry, armour, games of skill and swordplay. Lunch was a Medieval Banquet of spit roasted meats served in Presentation Hall.

The photos on this page are a snapshot of the day, which was enjoyed by the staff and the students.

A very proud Ellie returned from Perth with a gold medal in the category of printing and graphic art. Her tally of 85 points from 100 saw her secure the gold medal. If Ellie had been three months younger she would have qualified for the 43rd WorldSkills International Competition to be held in Brazil next year. Ellen had the following to say when she contacted the College: “It has been a very big couple of months for me and everything seems to be coming together. I have recently finished my four year apprenticeship and am now a fully qualified graphic designer. Competing in Perth was life changing – I now have the opportunity to apply for scholarships to work and live overseas.
