Dear Nagle College Community

Reflection
Do not wait; the time will never be ‘just right’. Start where you stand, and work with whatever tools you may have at your command and better tools will be found as you go along. G Herbert

Pastoral Prayer
One of the spiritually nourishing rituals we encounter at Nagle on a daily basis are a few moments set aside for prayer in Pastoral. Prayer is a rite of greeting, a space in our day cleared just for God and a welcoming for him into our daily life (if we haven’t done this already). It may be only a few moments between marking roles and reading out notices, but it is significant. Prayers are often in the form of special intentions, prayers of thanks and hope, prayers in response to current events, for people students know and don’t know. Rituals are important in our life and the ritual of prayer can be an important way of communicating with our soul.

Ordination of Bishop
Last Thursday in Sale over 1500 people gathered as new Bishop Patrick O’Regan was ordained as the 9th Bishop of Sale. The prime organiser was our very own Fr Peter Bickley, and it was a most fitting celebration which included 31 bishops and 95 priests from around Australia and overseas. There were many indications that Bishop Patrick is a person of many gifts who places great importance in being “amongst the people”. We hope he will visit us soon in Bairnsdale.

Lent
As we move through this period of preparation leading up to Easter and the death and resurrection of Jesus, we are encouraged to consider how we might become better people and how we might consider those in need in both our local community and in other places around our world.
Commencement Mass
On Wednesday 26 February we gathered to celebrate the 2015 Commencement Mass. This special Mass celebrated our Year 12 Class of 2015 and the leadership that they will bring to Nagle College in their final year of secondary school. I would like to share with you part of the address given by our College Captains Kurtis Geier and Natalie Young.

‘Who we are tomorrow begins with what we do today’. This is what we, as the Year 12s, as your College, have collectively decided to make our motto for the year; what we will look to for encouragement, what we will aim to achieve. But before striving for the motto, we must understand what it means in its entirety. The motto implements hard work as its foundation, as the work we do today is the foundation for what we will become. The motto reflects upon the success, daring us all as a College to try to become what we dream for. While daring us to dream, it reminds us of reality; it reminds us that nothing comes easy.

Kurtis then went on to tell the story of Howard D Shultz the owner and founder of Starbucks. This story illustrated how we can all strive to achieve our dreams. Both Kurtis and Natalie then applied this story to their motto.

“It shows that no matter where you have come from, no matter what your situation is, you can make it for yourself if you are willing to work hard. You can be whatever you want to be, as long as you are willing to put in the work right now”… No matter how easy we live, how problematic our lives are, or how careless we behave sometimes. We all face some kind of difficulties every now and then. Of course, we all know what these feel like, how unpleasant and depressing they could be, but we always need to remember that we are united. We are the Year 12s of Nagle College for 2015. We all need to set our own goals, apply ourselves and work towards the best of our own abilities. Today is the day we need to apply ourselves. We need to stand together in confidence and with motivation; we need to know that everything we do today will affect our tomorrow. So now it’s time for us to decide – who do we want to be tomorrow?

We can all take inspiration from these words. It is the decisions we make today that shape our future. I encourage all Nagle College students to heed this advice to set goals and make wise choices. Remember who we are tomorrow begins with what we do today.
Swimming Sports
The Nagle College Inter-House Swimming Carnival was held on Friday 20 February at the Bairnsdale Outdoor Pool. It was great to witness the effort that the Houses put into this special day. I congratulate all students who participated, be it swimming, cheering or participation in the novelty events. I would like to thank all the House Coordinators and staff for their hard work. I would like to make particular mention of Mr Graham Readett and the sports staff who are responsible for the organisation of the day – thank you all. Congratulations to Newman House for being awarded overall first place this year and to Chisholm House for taking out the House Spirit Award.

Out of Uniform Day
The first Out of Uniform Day for the year will be held on Thursday 26 March with all proceeds directed to Project Compassion. I would like to remind all families and students that the normal out of uniform rules apply. These are: no singlets or revealing or offensive clothing. If a student is deemed to be inappropriately dressed they will be sent home or withdrawn from classes.

Please note that we must comply with occupational health and safety law and students must wear appropriate footwear for Technology and Science classes. The footwear does not need to be a school shoe but needs to be at a minimum enclosed, with the material that is equal in strength to leather and with a heel no higher than school shoes. Students are expected to have the correct uniform for all PE/Sport classes and this includes correct footwear.

Student Medical Information
Nagle College believes that good health is imperative to your child’s learning. In order to ensure that your child receives the most appropriate care whilst at school, we require that medical information be updated on an annual basis as medical conditions and medications can be subject to change at any given time. I would like to remind all parents to please provide this information to Student Reception if you have not already done so. Please note that this includes providing a signed action plan for students with asthma or anaphylaxis.

Uniform
Over the last few weeks I have noticed an increase in certain issues relating to uniform. Specifically, students not wearing their Nagle College hat as required and wearing incorrect socks. Could parents please ensure that their child brings their hat to school and that they are wearing the correct socks. In particular, there are a number of boys who are choosing to wear black socks. These are not acceptable. I appreciate your support in this regard.

Opportunities for Young People in East Gippsland
I have been contacted by Amelie Boucher from the East Gippsland Shire regarding some events that may be of interest to Nagle College students. These include:

Ramp Rage: Gippsland Regional State Park Series - Sunday 8 March – 10.00 am-5.00 pm at Davison Oval/Skatepark in Bairnsdale. Scooter, skate and BMX competition is open to all ages. Ramp Rage is a Big Day Out with spray art demonstrations, novelty games, inflatables, music, food and more.
Deputy Principal - Pastoral

Youth Festival: Call for talented young filmmakers, musicians, comedians, artists and artisans!
The Youth Festival part of National Youth Week will feature a fantastic line-up of young and talented musicians, artists and foodies, an outdoor market, Youth Expo, novelty games at the Nicholson Street Mall on Saturday 18 April and will conclude a Short Film Competition at the Bairnsdale Library.

For more information or to express interest in participating, please contact EGShire Youth Engagement Officer or visit the National Youth Week link on the following website: http://www.eastgippsland.vic.gov.au/youth/

Film Screening at the Library
In celebration of Youth Week 2015, the East Gippsland Shire Library will be screening the third movie in the Hunger Games trilogy, Mockingjay – Part 1. This will be followed by free pizza and soft drink for all attendees. This is an event for teenagers aged 12 – 18 only. Due to an “M” rating, attendees must bring along a signed consent form for admission into this screening.

Details:
Friday 10 April at the Orbost Service Centre - 2.00 pm to 4.30 pm.
Friday 10 April at the Omeo Service Centre - 2.00 pm to 4.30 pm.
Thursday 16 April at the Paynesville Service Centre - 5.00 pm to 7.30 pm.
Friday 17 April at the Bairnsdale Library - 4.30 pm to 7.00 pm.

Bookings are essential and can be made by phoning the Library on 5152 4225.

FReeZA
FReeZA is a group of young people who meets weekly to run art and cultural events for young people and the wider community. Currently egFReeZA has two sub-committees, one based in Bairnsdale and one in Lakes Entrance. Some successful events the egFReeZA committee has organised over the past year include RampRage – skate, BMX, scooter comp, Battle of the Bands, spray art workshop and Big Nite Outs.

egFReeZA is looking for new members and would be keen to get Nagle students to be part of the group and ensure a variety of gigs/events across the Shire.

An ‘Event Management’ training session will be provided to all egFReeZA members and take place on Sunday 12 April from 10.00 am - 3.00 pm at East Gippsland Shire, Palmers Road office in Lakes Entrance. This free training session will cover the following: all ages event management, promotion/marketing, artist booking, budgeting, sponsorship, marketing, promotion, running a committee and meeting procedures, running cultural/outdoor events, design artwork, advertising, production, lighting, safety and risk management.

For more information about egFReeZA and to register your interest in the upcoming training session, please contact Amelie Boucher, Youth Engagement Officer, East Gippsland Shire. T: 5153 9500 E: feedback@egipps.vic.gov.au.

National Day of Action against Bullying and Violence: Friday 20 March
This year Nagle College has officially registered to take part in the National Day of Action against Bullying and Violence which is held on Friday 20 March. Yesterday at the College Assembly a number of students were involved in a presentation to raise student awareness of this very important issue. Nadine Philip and Matthew Shanahan introduced the presentation and commented on statistics such as: bullies target people they do not even know and 64% of females from Years 6 to 12 reported being cyber-bullied. Serious bullying is now a crime punishable by ten years in prison. This law, known as Brodie’s Law, was introduced following the death of 19 year old Brodie Panlock.

Matthew and Nadine reminded everyone “that at Nagle College we believe everyone is made in the image of God and is BEAUTIFUL. Together, let us take a stand and allow everyone to let their light shine”. To end this
Deputy Principal - Pastoral

presentation Emily Buurman performed ‘Beautiful’ by Christina Aguilera. This song highlighted our theme that everyone is beautiful and that all students should remember BE YOU tiful.

Students from the VCE Legal Studies, VCE Drama and CSYMA have been involved in producing a video and have made signs to be placed around the school in the lead up to the National Day of Action. In addition, all students will be invited to sign a pledge to stand together to make a difference in their pastoral classes. These pledges will be laminated and placed on the walls of the pastoral rooms as a permanent reminder of our students’ commitment to take a stand. On the day all students will all be given a wristband to wear.

Parent Forum – Young People and the Law
On Wednesday 4 March, LSC Toni Redshaw from Bairnsdale Police facilitated a very informative forum for parents outlining some very important changes to the law and information regarding young people and drugs and cyber safety. LSC Redshaw is a very engaging and knowledgeable speaker and I thank her for the excellent support that she provides for Nagle College families.

Mid-Semester Progress Reports
The mid-Semester reports for all students will be sent home on Friday 20 March. This report will provide parents some feedback on their student’s progress with their learning program and performance. The mid-Semester report gives an assessment of how students are working and an overall grade on how they are performing in each subject.

The assessment criteria for student work habits are: behaviour (how students accept advice and follow instructions and respect the rights and work of others); effort (how they participate in class activities and use time effectively, come prepared for class and work cooperatively); and completion of tasks (general organisation and meeting due dates). There is also an overall assessment of how the student has performed over the first term. This looks at how students have progressed and their performance relative to expectations of the student in that subject and year level.

A brief pastoral report is included with the mid-semester report. More detailed information about the mid-Semester reports is available for parents from the College website.

These reports will be published online on Friday 20 March. Parents and students can access these reports via the College website using their login details. Parents were recently sent a reminder letter of their user name and password for the Parent Portal. Please keep these details in a safe place.

Parent, Student and Teacher Interviews
Parent, Student and Teacher Interviews are held three times a year at the end of each term. They take place after parents have received mid-Semester (or progress) reports at the end of Term 1 and 3 and the end of Semester report at the end of Term 2.

Parent, student and teacher interviews are an opportunity for parents, teachers and students to talk together about how to help students improve learning outcomes and succeed in school. It is important for parents to show they are interested in their child’s learning.

All parents and students are encouraged to attend these interviews, especially given the time set aside for them. The standard time for an interview is 5 minutes, but parents may request a 10 minute interview. If you require a longer discussion with a teacher(s) please ring the College to arrange an alternative interview time. Some guidelines about how to get the most out of the interviews are given below. Parents may also want to visit the following websites for more helpful information:
http://raisingchildren.net.au/articles/parent_teacher_interviews.html
Learning and Curriculum

It is important for parents to prepare before the interview to make the best use of that short time:

1. Prepare
   - Read your child’s report.
   - Make notes about your questions and concerns.
   - Talk to your child about the report before the interview.
   - What do you want to ask the teacher? Make a list.
   - Encourage your child to attend and participate in the interview.

2. Ask Questions
   - Arrive on time, bring your list of questions and a copy of the report.
   - The teacher will review your child’s report, discuss examples of his or her work and give some feedback about their standard of work.
   - Tell the teacher what your child likes and dislikes about the classes and how they are progressing with their learning. It is particularly important for students to be involved in this part of the discussion if they are present.
   - Let the teacher know if you think there is too much or too little homework.

3. Discussion
   - Interviews are strictly confidential. Share personal information that might be affecting your child’s progress or behaviour at school (eg family illness, unsettled home life). This information will help the teacher better understand your child.

   Some points you may like to include in the discussion:
   - What does my child do well?
   - What skills does she or he still need to develop?
   - Is my child receiving extra help? How is this happening?
   - What is your approach to setting homework?
   - How much time should my child be spending on homework?
   - How does my child get along with the other students?
   - How can I help my child at home or support his/her with their learning?
   - What is the best way to contact you if I have more questions?
   - Take notes so that you can remember the discussion and share the comments with your child.

3. Follow Up
   - Talk to your child - stress the positive things the teacher said.
   - Talk about how you and the teacher are going to help with the things that need to be improved.

Term 1 interviews are being held on Wednesday 25 and Thursday 26 March from 4.00 pm to 7.00 pm.

Interview bookings will open on Thursday 5 March. Parents can book interviews online by going to the “My Child” section of the Nagle College website where they would normally access information – use your Nagle College login details which have been sent to you recently. If you have forgotten your login details please contact Michelle Atkinson on 5152 9937. When you select the interviews tab you will note your child’s teachers will come up with the times they are available for interviews – simply select the times you want for the interviews. Information about the Parent, Student and Teacher Interviews and how to book interviews is being sent home this week and is posted on the Nagle College website.

Study Skills
On Wednesday 11 March students in Years 11 and 12 will attend study skills sessions with an external organisation. The seminars are targeted specifically to meet the needs of students in Years 11 and 12 studying the VCE. These seminars focus on study skills and will provide practical strategies students can implement immediately. Parents are strongly encouraged to attend a special Parent Seminar to be held on the evening of Tuesday 10 March commencing at 5.30 pm in the Chapel. This seminar addresses strategies discussed in the student seminars to ensure that parents
Learning and Curriculum

are in a position to support and reinforce study skills at home. There is no cost for the parent seminar. Please do not hesitate to contact the College if you require further information about the Parent Seminar.

After-School Tuition

English tuition for Year 11 students is available every second Monday after school from 3.30 pm until 4.30 pm. This opportunity commenced last Monday and will continue whilst there is student demand. Year 12 students can attend advertised workshops for English on Tuesdays after school. Maths Aid is also available after school on Wednesdays on an ongoing basis. Science and other subject areas also provide support for students in tutorial or workshop situations. These additional supports are in place to assist students to set goals and aim high.

As Michelangelo said: “The greater danger for most of us lies not in setting our aim too high and falling short; but in setting our aim too low, and achieving our mark.”

Scholarships

Nagle College has a scholarship program for high achieving students. This reinforces the culture of high achievement and excellence within the College. The scholarships are open for new and current students. There are scholarships for Academic Excellence, the Arts and Sport. Students must sit the scholarship test as part of this process. The test is set and corrected by the ACER (Australian Council of Educational Research). The test is on Saturday 13 June. Parents enrol for the scholarship test online on the ACER website – there is a cost involved in sitting the tests. More information about the applying for a scholarship is available on the College website.

Sport News

Mr Graham Readett

Nagle Triathlon

Our annual Inter-House Triathlon will be conducted on Thursday 19 March. The event is run after school commencing at 4.00 pm on the Top Oval at Nagle College. Houses enter teams in the different year level competitions.

Each team member is responsible for one of the legs of the Triathlon event. All swimmers have to complete their 200m swim beforehand. Their time is used to send the runners off on their first run (600metres) on the Top Oval. The cyclists then do their ride on school grounds cycling from Presentation Car Park to the Nagle Car Park four times (6 kilometres). The runners then finish off the event with their second run (2 kilometres) on the cross country loop in the paddock near St Mary’s Primary School. Presentations to winning teams and to the overall Champion House will be made at 5.15 pm.

Parents may like to form their own House teams picking up valuable participation points but please remember the swimmer will need to complete their swim beforehand and send their time through to Mr Readett before the event. Otherwise, parents and families are welcome to spectate and support the students in this exciting event. Please use the Presentation car park to park your cars.
Inter-House Swimming Carnival
Newman House snatched an exciting victory from Chisholm in the final two events of the program in our Swimming Carnival recently. Despite Chisholm finishing with seven individual Year Level Champions, Newman finished too strong to record a 20 point victory over Chisholm with Bosco and Avila the next best. Individual records were broken by Josh Seignior, Alessia Colombo and Harry Cook and Chisholm teams broke three records in the relay events. Chisholm had a great day in the novelty events as well winning both the Line Pass and Cork Scramble events to pick up the House Spirit Trophy ahead of Avila.

Newman House is Victorious
The Australian Mathematics Competition
The Australian Mathematics Competition is on Thursday 30 July 2015. Entries for the competition need to be in by Friday 7 May 2015. If you would like your son/daughter to enter this competition please email or contact directly your child’s maths teacher at the College. Alternatively, your son/daughter can inform their teacher they are entering the competition. The College will pay the entry fee and the competition is completed at Nagle College during normal school hours.

The competition is accessible to students with a wide range of abilities, although it is usually students with a keen interest in Mathematics and those performing well in assessment tasks who get most out of sitting the test. The test is structured so there are 10 straight forward questions, 10 questions requiring more thought and working, and 10 challenging questions requiring well-developed problem-solving techniques.

All students receive feedback on how they performed in the test compared to the rest of Australia on their overall score and on every test question. All students receive a certificate which will be Participation, Credit or Distinction, depending on how they performed.
