5.0 STATEMENT OF COMMITMENT TO CHILD SAFETY

Nagle College is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views are respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults, including school staff, contractors, volunteers, parents, guardians and carers and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal and Torres Strait Islander students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, transgender, intersex, queer/questioning and/or asexual (LGBTIQA+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, school staff, and volunteers to inform our ongoing strategies.

7.0 CHILD SAFETY CODE OF CONDUCT

The Nagle College Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct also includes processes to report inappropriate behaviour.

8.0 MANAGING RISKS TO CHILD SAFETY AND WELLBEING

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site activities, such as school camps and excursions, and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our School Leadership Team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

9.0 ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

At Nagle College, we are committed to establishing an inclusive and culturally safe school environment where the strengths of Aboriginal and Torres Strait Islander people's histories, cultures, values and practices are respected and celebrated.

For Aboriginal and Torres Strait Islander students, we recognise that the link between the student's culture, identity and their cultural safety are critical to ensuring that they feel comfortable being themselves and expressing their spiritual and cultural beliefs.

The school creates opportunities for Aboriginal and Torres Strait Islander students, families and local Aboriginal communities to have a voice and presence in our school planning, policies, and activities.

10.0 STUDENT VOICE AND EMPOWERMENT

To support child safety and wellbeing at Nagle College, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Strategies are in place to ensure that all student voices are listened to, including students who find it harder to speak up or be heard. We support our students to feel comfortable about speaking up and recognise that students communicate in different ways, including through verbal and non-verbal cues, play, body language, facial expressions, drawings and/or behaviours.

All students at Nagle College are empowered to express their views, contribute to school life and are encouraged to provide feedback on school wide decisions. We take into account student views when school decisions are made, including when developing and implementing policies and procedures.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through our wellbeing policies and processes, pastoral and curriculum programs, implementing the Whole School Approach to Positive Behaviour Support (WSAPBS), student Code of Conduct, school wide expectations of respect, responsibility and excellence.

We inform students of their rights through a range of strategies including the Whole School Approach to Positive Behaviour Support (WSAPBS), child safety as a standing agenda item at student leadership meetings and child safe student presentations. These are designed to give students the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns by contacting the College.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents, guardians, and carers, as appropriate) informed of progress.

11.0 FAMILY ENGAGEMENT

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Nagle College we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- Having all of our child safety policies and procedures available for students and parents, guardians and carers via the College website.
- The college inform families and the school community about any significant updates to our child safety policies or processes, and strategies or initiatives that we are taking to ensure student safety via the College website, fortnightly newsletter and/or email.

13.0 SUITABLE SCHOOL STAFF AND VOLUNTEERS

At Nagle College, we apply robust child safe recruitment, induction, training, and supervision practices to ensure that all school staff, contractors, and volunteers are suitable to work with children.

School staff recruitment

When recruiting school staff, we follow the DOSCEL Recruitment and Engagement Policy and associated guidelines.

When engaging school staff to perform child-related work, we:

- ensure Child Safety is a key focus in the selection and employment process;
- sight, verify and record the person's Working with Children clearance (previously called a Working with Children Check or WWCC) evidence or equivalent background check such as a Victorian Institute of Teaching (VIT) registration;
- collect and record:
 - proof of the person's identity and any professional or other qualifications;
 - the person's history of working with children;
 - references that address suitability for the position and working with children.

School staff induction

All newly appointed school staff will be expected to participate in our child safety and wellbeing induction program. The program will include a focus on:

- the Child Safety and Wellbeing Policy (this document)
- the Child Safety Code of Conduct

Ongoing supervision and management of school staff

All school staff engaged in child-connected work are supervised appropriately to ensure that their behaviour towards children is safe and appropriate. Where it is not practical or desirable for school staff such as teachers to be directly supervised in their classrooms, the school has strategies in place to provide support and supervision of these school staff.

School staff will be monitored and assessed to ensure their continued suitability for child-connected work. This will be done by tracking compliance with the key child safe training requirements and allegations of inappropriate behaviour towards children and young people will be managed promptly and in accordance with our school and DOSCEL policies and our legal obligations. Child safety and wellbeing will be paramount.

Suitability of volunteers

All volunteers are required to comply with the Volunteers Policy, which describes how schools must assess the suitability of prospective volunteers and outlines expectations in relation to child safety and wellbeing induction and training, and supervision and management.

14.0 CHILD SAFETY KNOWLEDGE, SKILLS AND AWARENESS

Ongoing training and education are essential to ensuring that school staff understand their roles and responsibilities and develop their capacity to effectively address child safety and wellbeing matters.

In addition to the child safety and wellbeing induction, our school staff will participate in a range of training and professional learning to equip them with the skills and knowledge necessary to maintain a child safe environment.

School staff child safety and wellbeing training will be delivered at least annually and will include guidance on:

- our school's child safety and wellbeing policies, procedures, codes, and practices

Training includes guidance on:

- Nagle College's child safety and wellbeing policies, procedures, codes and practices.

15.0 COMPLAINTS AND REPORTING PROCESSES

Nagle College fosters a culture that encourages school staff, volunteers, students, parents, guardians, carers, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in the DOSCEL Complaints and Grievances Management Policy and the school complaint-handling

process. The Complaints and Grievances Management Policy and the school complaint-handling process can be found on our [website](#).

If there is an incident, disclosure, allegation or suspicion of child abuse, all school staff and volunteers (including School Advisory Committee members) must follow DOSCEL policies to address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.
